

Cabrillo Cub Newsette

CVC 33rd District - A monthly newsletter published by the Cabrillo PTA to maintain quality communication between home and school.

Principal's Message

Dedication and Grand Opening of Cabrillo School

Please join us for the Grand Opening of our new school on **Saturday, February 28** from **10 am to 12 noon**. Our celebration will include special presentations, student performances and tours of the new campus.

Cabrillo School opened in September, 1949. I am trying to locate students, parents, staff members from the early years of Cabrillo School. If you know someone please have them get in touch with me.

Fresh and Easy Fundraiser

Shop Fresh & Easy between Feb. 1, & March 31, 2009 and Fresh & Easy will reimburse Cabrillo \$1.00 for every \$20.00 sold. Turn in your receipt (individual receipt must be over \$20.00). Receipts must be turned in by **April 3rd**.

Juan Cabrillo School Valet Service

At 8:15 am and at 1:45 pm school staff "valets" will be in the parking lot to assist you as you drop off and pick up your children. They are on duty to open the car door if your child cannot open the car door him/herself. Drivers should not get out of the car. You must park the car in a designated slot and assist your child if he/she is in a car seat or cannot buckle/unbuckle the seat belt themselves. Our new parking lot procedures have been created to work best for the drop-off and dismissal of hundreds of students at a time. The system is NOT designed to be the **quickest** way for one parent to drop off/pick up **one** child, but rather it is designed to be the **safest** way for **all** parents to drop off/pick up **all** children. Please remember, the red zone is for loading and unloading only, not for parking. It must be clear for emergency vehicles. Your cooperation with the valets is very much appreciated.

Arrival and Dismissal

Students in BOOST, Kindergarten, First and Second Grades being dropped off and picked up by car will enter the one lane ENTRANCE ONLY driveway on 135th Street. Follow the traffic pattern indicated by arrows. **Please pull as far forward as possible to the designated drop off area before unloading and loading passengers.**

Emphasis on Curriculum

The Cabrillo staff would like to remind parents about our emphasis on the curriculum now that we are half way through the school year. We are determined that all of the children will succeed and be on grade level by the end of the current school year. Therefore we need your help in emphasizing education with your children. Encourage them to put their schoolwork first before watching television and playing video games.

Progress Reports

Parents, you have received a progress report if your child is below grade level or far below grade level in core subjects: Reading/ Language Arts and/or Math. This is a warning to you that your child will need your assistance to bring up their grades. Be sure that they are reading every night, doing their homework and handing it in to the teacher.

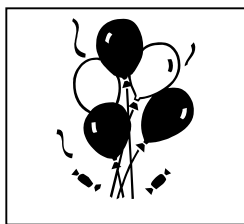

Rainy, Windy Weather

Please listen to the weather forecasts and send your children to school with appropriate clothes and umbrellas.

Thanks to all the parents and community members for your help and support in 2008 and I look forward to working with you during the year 2009 for the benefit of our children.

Sincerely,

Mrs. Jane L. Comitz, Principal

Rock Around the Block
Saturday April 18th

Rock Around the Block

Rock Around the Block is a huge event that Wiseburn Ed foundation puts on each year. It's a carnival type event with music, food, silent auction, bouncers, carnival games, etc. Mark your calendars! The 2009 event will take place on Saturday, April 4th, 2009.

Goodie Sale

Goodie sales are held after school in front of the office on the third Wednesday of each month. The next one will take place on February 18th at 1:50pm. Items for sale typically range in price from 25 to 50 cents, though we are preparing to offer Cabrillo Cubwear – T-shirts and such at their usual prices as well.

Goodie Sale
Wednesday Feb. 18th

The Goodie Sale now includes a used book bin, which has been very popular with the children. In order to keep it alive and interesting, we are in need of donations of gently used, age appropriate books. Picture books, board books, and chapter books are all much appreciated. Just drop them off in the PTA room or bring them to the school office.

Field Trips

The PTA funds all the field trips for the entire student body. The details on when

and where your class will be going will be sent home soon.

Remembering Founder's Day

February 17 is Founder's Day, celebrating the founding of the PTA. In 1897, Alice McLellan Birney and Phoebe Appearson Hearst organized, in San Francisco, what was first called the California Home and School Child Study Association to provide mothers with important information about the child and education of children. Over the years, members of this organization started school lunch programs, established scholarships, and worked for legislation that promoted the health, welfare and education of all children. In 1926, Selena Sloan Butler founded, in Atlanta Georgia, the National Congress of Colored Parents. In 1970, the two organizations formally united as the National Parent-Teacher Association. Are you a member of PTA? If so, you have a history to be proud of and a tradition that will continue as long as there are children to care for and educate.

PTA Meeting

The next PTA meeting will be held on Monday, March 2nd at 7:15pm in the Parent Resource Room.
