MUCH APPRECIATION

The parents of the PTA have done so much to help the students and staff of Cabrillo that words cannot express our sincere appreciation and admiration. They have provided many fine assemblies and field trips, Hands-on-Art, the Book Fair, the Read-A-Thon, this monthly newsette, Cabrillo Cub prizes, classroom supplies and books for teachers, classroom volunteers and parties, and the Physical Education Program.

The PTA is always there to help with refreshments and door prizes for a meeting and to help with organizing school activities. They plan and implement many fun events for the children and their families throughout the year. Special thanks to Jennifer Morgan, our outstanding

President this year who has taken on the job again for the 2007-08 school year. Thanks PTA board for taking on so many specific responsibilities which made a difference in our children's lives and to Sue Perranoski and Greno DePillo for publishing this newsette.

I have really enjoyed working with the School Site Council as they helped me to monitor the state and federal programs and helped the staff in evaluating the School Plan. Thank you members of the School Site Council and English Learner Advisor Committee for your dedication in attending our monthly meetings and for your valuable input.

Many thanks to all of the volunteers who have worked at Cabrillo this year. You have made such a difference in the lives of the students and staff. You make Cabrillo a better place and that's why we appreciate you.

Together, as an educational community, we have endeavored to make our school a place where your children learn and meet with success. I wish all the Cabrillo families a wonderful, refreshing and safe summer.

Sincerest Best Wishes,

Mrs. Jane Comitz
Principal
